To remain continuously certified, your company will need to apply for recertification prior to this expiration date. You will receive notice approximately two months in advance of this date to submit a recertification application. It is your responsibility to recertify prior to your expiration date. Re-certifications are submitted online via the B2GNow system at <https://cityoforlando.gob2g.com/>.

Additionally, you must keep current all contact and business information to include any changes in ownership, location, lines of business, etc. Please enter any changes into the B2Gnow system. Remember, it is your responsibility to maintain current and accurate business information.

Now that you are certified with the City of Orlando, we encourage you to pursue reciprocal SBE certification with Orange County to expand your certification opportunities.
